Our enchanting arch-stage Lisl: Petite with a big impact!

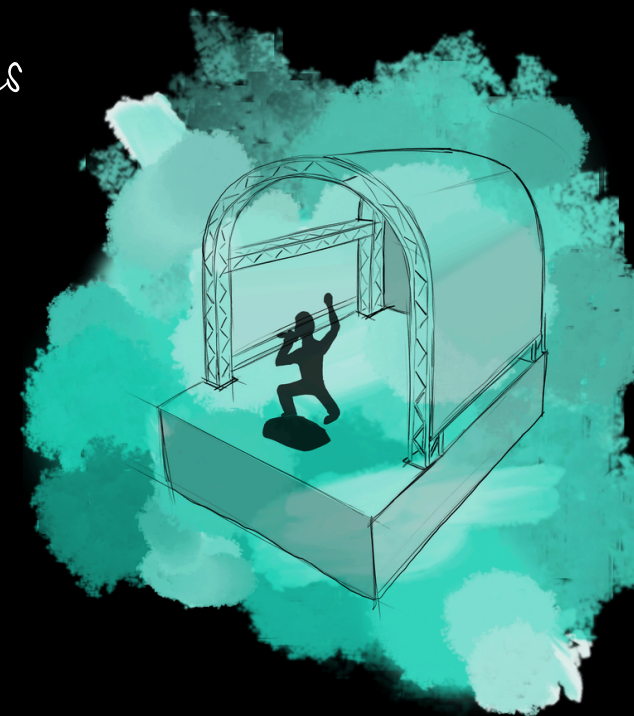

With delicate grace, Lisl creates an intimate atmosphere that lets the audience feel up close and personal with the action. Here, you can almost watch the artists in the act of creating and share in their excitement.

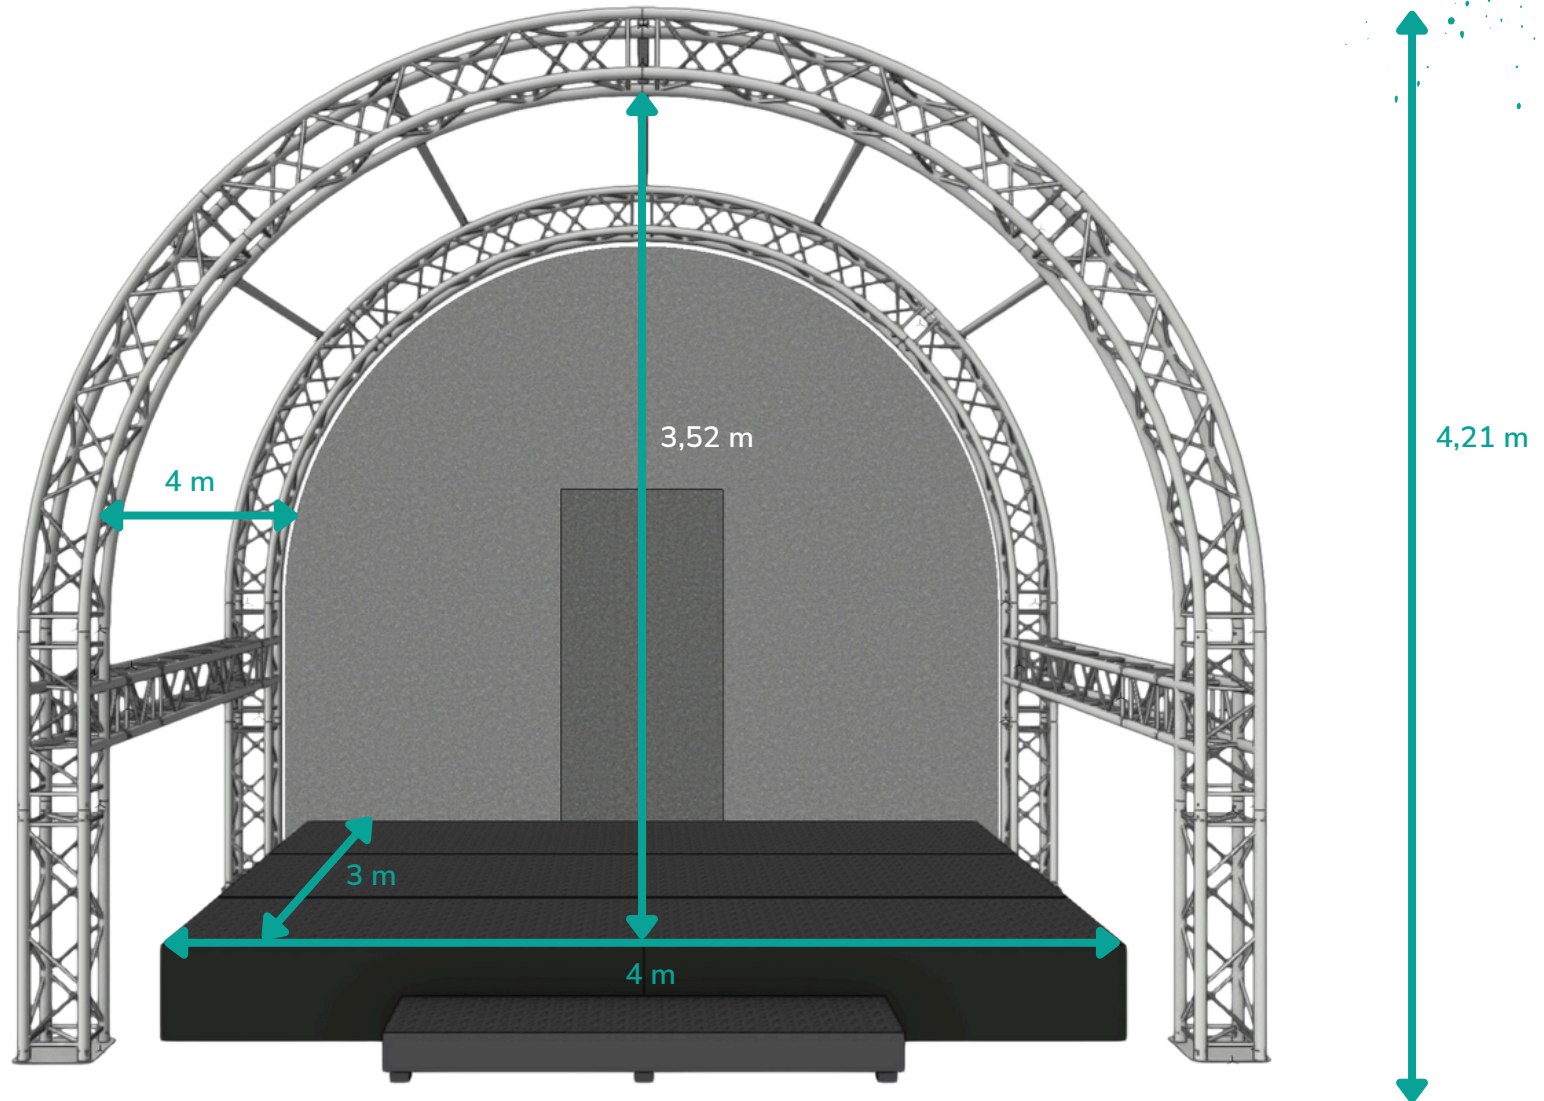

Lisl exudes a remarkable elegance, offering artists a stage that feels like a warm embrace. She's the perfect setting for readings, small bands, and acoustic sessions. As an ideal side stage, Lisl invites you to linger, fostering genuine moments of closeness between artists and their audiences.
