

Our WALTRAUT

With 12m x 10m of Roof Space and a 3.9-ton roof load, Waltraut is a true powerhouse.

More than just strong, Waltraut impresses with her sheer size. Reliable, grounded, and rock-solid, she brings her own stage presence but leaves it to the artistic performances upon her to win over the audience. She offers every performer a cosy living room - a stage where they can feel right at home.

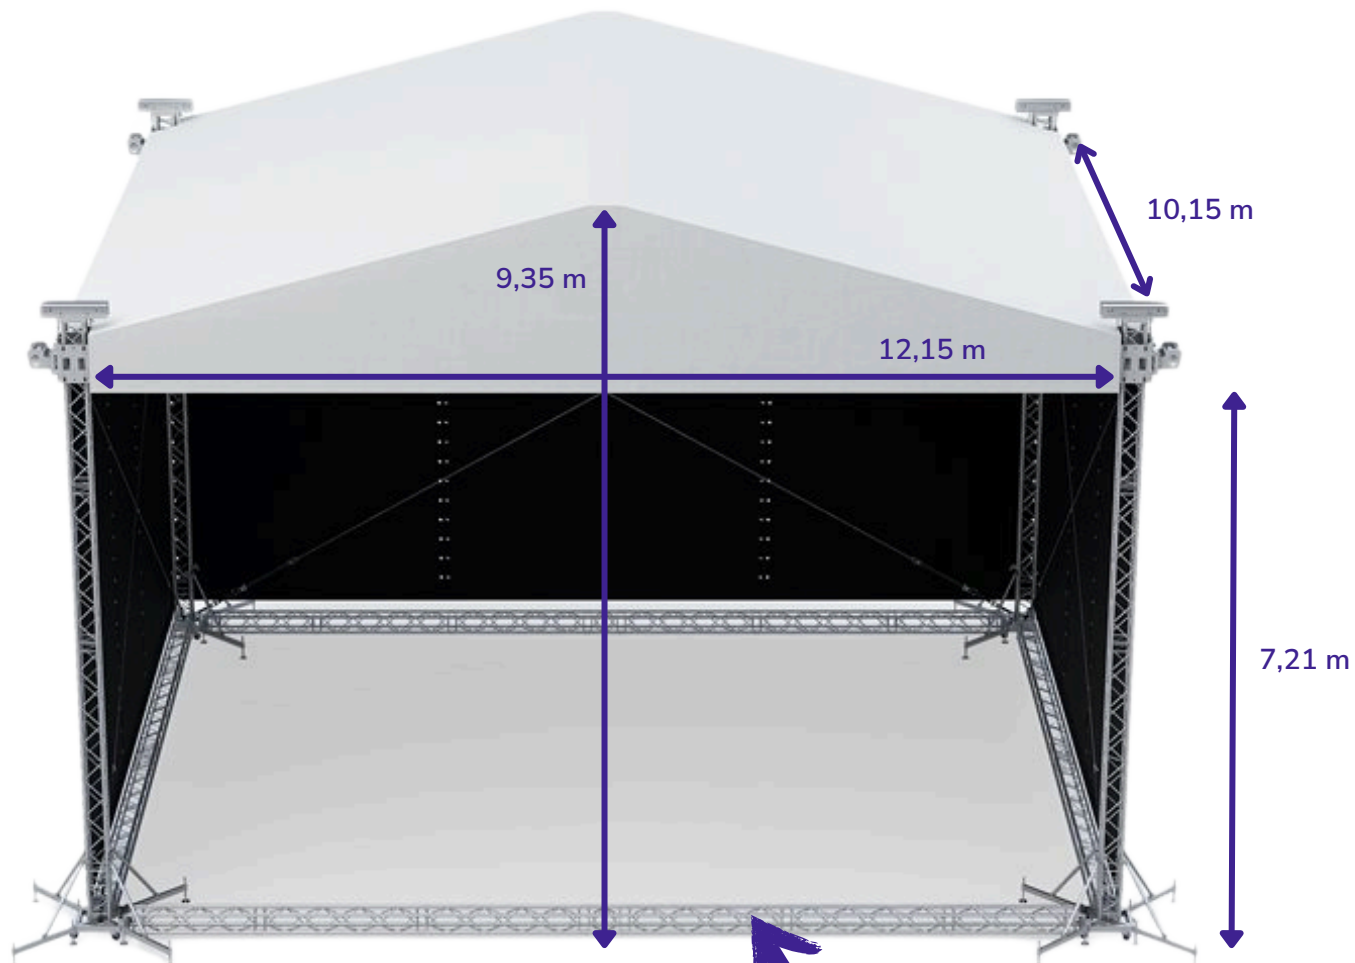

Our stage roof, Waltraut: a grand living room for art and culture.

The MPT roof provides the perfect space for a vibrant variety of stage programs. Larger bands, choirs, and orchestras will feel entirely at home here.
